Scope Mount

with Ball Head, mounts to any Arca Rail
CO-005 Instruction Manual

Instructions

Setup:

The CO-004 SCOPE MOUNT attaches to any Arca-Swiss Type Rail, using the (C) Knob to lock in place where desired.

To adjust position of (A) the Scope Mount adjust Positioning Screws (B) along the rail. Ball Head Mount (A) can be adjusted to any angle by Ball Head Knob (D)

The scope mount is an ideal accessory for CruXOrd Support Rests

Features

- UNC 1/4"-20 Ball Head Mount for Scopes and Other Accessories
- CNC Precision Machined from T6061 aluminum
- Mounts to Support Rest via Arca-Swiss style Clamp
- Hard anodized scratch resistant finish
- Adjustable for any position
- Made in USA
- 1-year warranty

Maintenance

Check before every use for any loose screws/parts and tighten with knob or supplied hardware. The bearings are sealed and require no lubrication. A small amount of oil (WD40 or similar) may be used on the knobs if necessary. If exposed to potentially corrosive environments, clean with fresh water immediately after use and dry. Taking these precautions will greatly extend the life of the product.

Warranty

This product is guaranteed to the original purchaser to be free of defects in material and workmanship for one (1) year from the date of purchase.
